COLD WEATHER CONCRETE CURING BLANKETS

MIDWEST CANVAS CORP.

COMBINATION THERMAL BLANKET

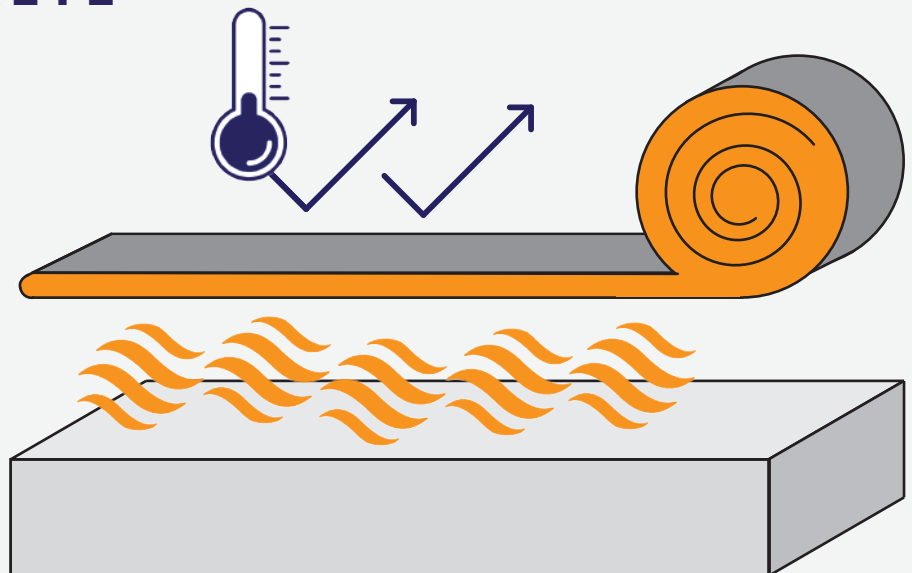

**DON'T LET THE COLD TEMPS STOP YOU FROM
POURING CONCRETE**

Maintain heat of hydration during the critical early stages of concrete curing. Prevents freezing, rapid drying and cracking while accelerating your construction jobs all winter.

6' Wide x 25' Long
12' Wide x 25' Long

ASTM: C518
Effective R Value: R 2.5

1/4" Foam Blanket
