

Allen MSP 450 Riding Trowel (Used, 2014)

Allen MSP450 (Mechanical Super Pro) Riding Trowel 2014 Used (4011). The MSP450 is a totally new manual steering, mechanical-drive riding trowel in the Allen Riding Trowel line-up. The patent-pending torque converter clutch system, high horsepower, and low weight-to-horsepower ratio makes the MSP450 a "torque monster" among four foot diameter mechanical drive riding trowels, for floating with pans and high speed for finishing. Serial ending in 4011. 433.9 Hours, Used, 2014.
